Contains: Sacred Places Goddess of the Grove Winter Solstice Sacred Places: Sometimes fated love requires some good old-fashioned magikal meddling. Coyle OCaha, a seven-hundred-year-old immortal, druid sorcerer, is a famed warrior among his kind and a legendary ladies man--but that doesn't mean he hasn't spent his life looking for his soulmate. That one woman who will make him feel whole. When Deri walks into his seaside pub, clearly running from something or someone, it's all he can do to not sweep her off her feet and claim her right then and there. It's as if the goddess is mocking him. Not only is his mate immune to his charms and his magik, she's human. Deri Sullivan's new boss has a Scottish lilt that makes her knees weak. The problem is he's a certified ladies man. And she's sworn off those types--for good. If only she could stop dreaming about him in ways that would make any girl blush. See, she has a secret, and even if she wanted to let Coyle into her bed, she couldn't actually let him into her life. Witches and humans imply don't mix. Goddess of the Grove Sacred, worshiped...hunted. All Korey OCaha wants in his immortal life is to keep evil at bay, protect the witches he was destined to teach and to bed as many women as possible. He doesn't want love but he didn't plan on Gigi. Her very presence calls all he vowed sacred in life into question. She quickly becomes his reason for existing but can she ever fully accept him and who he is--a seven hundred year old immortal druid sorcerer? Will the secrets she's hiding be his undoing? Gigi, the daughter of a great god, could not stand idly by and allow innocent druid children to be slaughtered. She intervened, placing them under her protection. In the end she was imprisoned in a place where time moved differently than here on earth. That was almost seven hundred years ago. Once freed, she ran as far from the old country as she could.

Never did she expect to find ties to the land, let alone a man who stirs her blood the way Korey does. As shadows from the past resurface, bringing news of an uprising, truth and passion ignite, leaving Gigi at the mercy of Korey.
