

Hunting For A Mate 2 (BBW Shifter Menage Romance)

He stood in front of the roaring fireplace, his naked body surrounded by a hot blaze. I crawled across the table towards my Alpha. I've done it. I've been initiated into the Pack, mated by these two Shifter studs. Now they're taking me back to their Shifter village, where I'm to assume the role of Grace. Things start out bad and get worse, and all the while my body is screaming to have these men to myself again. Sven's face was buried in her sex. I could see the effect he was having on her, and that had an effect on me... Against all odds, Sven and I did it. We found our Grace, this beautiful thick woman who would join us to lead our Pack. A wonderful trip that should have ended in celebration, but instead it turned sour in our mouths. Sweat, tears and blood would be spilled before the day was done, but it would all be worth it! Over 8,100 words of a big beautiful woman being taken roughly by an alpha male shapeshifter and his omega pack mate.
