

Border Lords Bride (Brotherhood of the Scottish Templars Book 4)

#1 Bestseller in Historical Fantasy! Simply beautiful! --A.L. Rickard

A man on a mission... To protect his sisters from disaster, Lucius Carr leaves the Templar Knights and returns home to his Scottish estate to assume the family's earldom little expecting to inherit a bride in the bargain. A woman from his past... Elizabeth Huntingdon had spurned him once before in favor of his brother. Lucius bears the physical scars of battle as well as the emotional scars of betrayal. He vows to guard himself against the one woman who enchanted his heart and soul. A desire neither can resist... Neither Lucius nor Elizabeth expects to join forces for the sake of his sisters. Or have their loyalties tested as they struggle against the potent desire that threatens to consume them both. She is the last woman on earth he wants to marry, yet the only woman he could ever imagine as the... Border Lords Bride.

I am a fan of Russell's Templar Knight series, and this book was a nice break from the front lines to see what life at home might have been like for these warriors. If you need a quick romance read to warm your heart and cheer you up, Border Lords Bride will do the trick. --Ann Charles, Award-winning author of the Deadwood series

More Kindle Bestsellers by Gerri Russell

The Warrior Trainer - A female warrior with the destiny of Scotland in her hands.

Warriors Bride - A marriage of convenience is all that will protect Scotland from ruin.

Warriors Lady - Murder and mayhem can only be stopped with a magical healing stone.

To Tempt a Knight - A Templar knight seeks a holy relic and finds love along the way.

Seducing the Knight - A quest in the Holy Land is filled with danger and temptation.

A Knight to Desire - The end of the Templar Order is near unless a knight and a female warrior can stop their enemy.
