

## Elliott Erwit: Kids

Erwit's popularity is at an all-time high and this is the first collection dedicated solely to his photos of children. For almost six decades, Elliott Erwit has had a keen eye for the often-overlooked world of children. What has resulted is a wry, endearing, and often humorous vision that captures the joys and heartaches of childhood from the United States to Japan to Brazil. Here we see kids through the eyes and lens of a master photographer whose joy in the childhood experience has been consistent over time. 90 duotone photographs
