

Prince Charming Doesn't Live Here (Others)

Danice Carter is not one for glass slippers. A stiletto-wearing lawyer at one of Manhattans most elite establishments, Danice has a very strong grip on reality. So when shes asked by one the firms founding partners to take on a personal case, Danice knows shes in for the opportunity of a lifetime. All she has to do is convince her top bosss granddaughter, Rosemary, to file a paternity suit. Sounds simple enough...until Danice arrives at Rosemarys home and is pounced on by a handsome stranger. Private investigator McIntyre Callahan was only following his powerful clients orders: Find Rosemary-at all costs. Instead, hes found a super-hot lawyer prowling around looking for answers he cant give. The half-human, half-Fae Mac tries to warn Danice that shes way in over her head-that Rosemary may roam among the Others, and may have dangerous ties to the Unseelie Court-but she wont be deterred. Even if that means following Mac to the ends of the earth to find Rosemary...or surrendering to his supernatural powers of temptation...until death do they part.
