

Mick Hesse has written a brilliant guide book for Trumpet that will sharpen your practice skills and help you develop into the best performer you can be by being your own teacher. Mr. Hesse graduated from the Eastman School of Music and uses his over four decades of experience as an orchestral player, chamber artist, teacher and soloist to help you better able to focus your attention on your sound and the physical things happening as you play. This moderately priced book of 37 pages features Bending Exercises, Skill & Study Charts to personalize your practice routine, Warm-ups, Air Flow exercises, How to tune to a Piano and much discussion on techniques for practicing. One of the best books out there for boosting your performance to its peak. Perfecting your Practice for PEAK PERFORMANCE for Trumpet or Cornet
