

If Wonderland is a world of dreams, it must also be a world of nightmares. Do you dare to wander the lands beyond the Glass when all safety is gone, and the ending is uncertain? Editor J. Blackmore collects five dark and sexy stories that examine the landscape of eroticism in a world gone wrong, in this follow-up to Like The Knave of Hearts. If were honest, we know that dreams arent always pleasant, or even simply strange. Sometimes our dreams take us places we dont want to go, even if we know we need to. Like a Vorpall Blade is a journey in five parts to the darker places of fantasy. Theresa Sand, Bernie Mojzes, ADR Forte, Alex Picchetti, and Angela Caperton take us to places weve never been before, and will never forget. Do you dare to wander the world beyond the Glass when all safety is gone, and the ending is uncertain? Allow yourself to be drawn in by the eroticism of nightmares by exploring a side of Wonderland youve never known.
