

**\*\*This is the SAME novella that is in the Cowboy Justice 12-pack anthology. So if you have purchased that book, there is no need to get this one as well...unless you WANT this beautiful cover with Wes as a visual or want it as a standalone in your collection...in that case...feel free! :) Reluctantly taking her best friend's place at a photo shoot, realtor Laine Parker expects to assist the photographer for the day...not drool over the volunteer model, Westin King. The Texas Ranger and real-life cowboy is hot-on-hot sexy, from the tips of his boots to the top of his Stetson. Despite her visceral reaction to the man, the last thing Laine expects is a whirlwind romance—but that's exactly what she gets. Wes has been around the block enough to know what he wants, and he wants Laine. He wastes no time showing her how he feels...but he may never get the chance to tell her. Laine has disappeared, and it will take every connection Wes has—and a little help from a mangy stray—to get her back in his arms.**
