

## Learn FileMaker Pro 6 (Wordware Library for FileMaker)

Learn FileMaker Pro 2002 (for PC and Mac) is designed to teach the fundamentals of this relational database program from the ground up to a reader who has little or no experience with the program. FileMaker 2002 is the newest release of this very popular database which has rapidly become the most successful stand-alone database software for the Windows platform. This unique title includes essential information often missing from other books. The new title is of value to more sophisticated users because of the inclusion of advanced material, especially web related features, SQL enhancements, and record level security. Readers obtain the fundamental elements of the subject in a friendly, straightforward manner. Stars addresses the subject with step-by-step instructions, including hands-on examples to reinforce the concept.
