

## Learning Fundamentals 3-6 Starting School

So much can happen even before a child starts school--and you can make sure your youngster blossoms. With a little learning wisdom, you can build self-esteem; form reading, writing, and numeric skills; foster clear thinking; develop responsibility; teach basic values; enhance creativity, logic, and memory skills...and lots more! Select from a wide range of activities, from music to science, that any kid will love. Theyll never realize that while theyre helping you cook, bouncing an inflatable globe in the bath, trying to spot something in a certain color, playing sentence games, delighting in an indoor treasure hunt--theyre really getting smart!
