

Lenore: Pink Bellies

This collection is a game changer for Lenore: the cute little dead girl. To celebrate her 20th anniversary, Roman Dirge embarked on an epic, new chapter in the life of the cute little dead girl! Featuring a slow-burning, four-issue story-arc that not only reveals the untold origins of the ultra-sinister and deadly-mysterious Taxidermy, but also pitches him into a titanic fight to the death with Lenore's best buddy, Ragamuffin. Whatever happens one of them is going on an all-expenses paid vacation into the afterlife! Packed with the usual irreverent and gothically surreal humour and hi-jinx, Roman Dirge once again proves why he's been called the Michelangelo of the macabre
