

Pretend: The Epilogue

This is the epilogue to the story Pretend and also an extract taken from the sequel, Pretend2 (Make Believe). It has been 8 years since the accident and life is great. Aiden and April are finally engaged and busy with wedding plans and their new life. When Anthony goes on vacation, Aiden is left alone to run their business. When Aiden decides to hire the young and bubbly Leah to help with the work load he thinks that he has everything under control. What he doesn't know is that she has a plan that is set to turn his and April's world upside down...
