~~*~*~*Excerpt: His intense gaze bored into hers. His pupils expanded, darkening his eyes.Her own body reacted in opposition to the tension rolling off him--liquefying, melting toward him. Im sorry, she whispered. I didnt mean to embarrass you. I thought you were alone.He didnt answer, but lifted one hand, palm up, and cupped a breast. His thumb flicked the tight, pearled tip. Loull be discreet, but what would you have done if Id had the whole team in here?She wrinkled her nose. Given you a lap dance?He snorted, then sighed. Lily, have I been neglectful? he asked, his voice gruff.Ive missed you, Brent.Baby, Im home every night.She shrugged. Youre there, but...youre not.His jaw tightened. He dropped his hand and stepped back.Damn, was he really that angry with her, that disappointed that hed reject her now? Lily blinked and lifted her chin higher, feigning pride when it lay in tatters all around her. Ill go home. I apologize again.Did I say that you could leave?
