If you are looking for a sexy steamy gang bang, this is the story for you. - Jane Jones The entire time I could picture myself in the shoes, loving all of it. pretty short, easy to finish in one sit, and leaves you wanting more. - Jeffery H. Description: Katie has won the contract of Mr. Banks for her company, but their shared night has stirred appetites within her that frighten her. Though she craves to be dominated and humiliated again by Mr. Banks, he seems to have forgotten about the entire incident and barely even acknowledges her. Will Katie ever have another opportunity to relive her night with Mr. Banks, or will she have to find some other way to sate her appetite? Excerpt: I knew that Mr. Banks was just outside. If only he would come in here and take me, abuse my body, rip my blouse open and fuck me against the wall. Damn it, this was not helping anybody. Least of all, myself. If I spent all day fantasizing, I'd never get this work done. Ignoring the slickness in my cunt, I continued typing my proposal on the keyboard, working my fingers furiously on the plastic keys. The soft clacking noises filled the air. I tried to ignore my fevered mind, but I could not. Sighing in defeat, I knew what I had to do. I propped my leg over the arm of the big leather chair, hiking my tight pencil skirt up my legs. My hands ran up the silky stockings on my legs, before reaching my skin, lightly damp with sweat. My skin was burning to the touch. When I pushed my panties to the side, my cunt even hotter. Flicking my fingers over my clit, I teased myself to the brink. I wanted to enjoy this. I needed to feel as if it were Mr. Banks playing with my pussy, and he wouldn't let me come so easily. The cool air from the vents on the carpeted floor blew over my skin, an icy thrill. I let my other hand slide under my blouse and fondle at my breasts.

I pinched my nipples roughly, letting a small gasp escape from my lips. Yes, that's how he would do it, that's how he would use me. He'd take me right here in the office, spread my legs, and grope me like a piece of meat. He'd growl like an animal in heat and thrust his throbbing cock into my wet pussy, pounding me into oblivion. I slid my fingers into my hungry cunt, and thrust in and out a few times. Fitting another finger in, now there were three in my pussy. Even then it didn't have the thick fullness of his cock. He hadn't used my pussy last time, but I remembered how big it felt in my ass. The tips of my fingers massaged the spongy G-spot inside me, setting off a warm wave of pleasure through me.
