

Toxic (Erotic BDSM Novel) (Cravings Book 3)

This series should be read in order Just when I think my life with John is settling into a happy place, things at work go crazy. Nothing is as it appears and my world starts falling apart at the seams. John takes care of me in ways I can't express. He might be the perfect man for me, but I can only take so much before that's just not enough. Being a dom means being there for your submissive any time she needs you, even if it hinders your own needs. I'll do anything for Alix, absolutely anything. She's the love of my life, but when secrets are revealed, feelings get hurt. Sometimes being a dom isn't enough; it's the man inside who has to be there for his woman. When all is revealed, we both have to find a new balance in our relationship. That is if we can survive it all. ***Warning: Intended for audiences 18+ due to explicit sex & vulgar language, mention of rape/abuse***
