

# Foundations of Logic and Functional Programming: Workshop, Trento, Italy, December 15-19, 1986. Proceedings (Lecture Notes in Computer Science)

This volume consists of some of the papers that were delivered during the workshop on Foundations of Logic and Functional Programming held in Trento, Italy, from December 15th to 19th, 1986. The meeting centered on themes and trends in Functional Programming and in Logic Programming. This book contains five papers contributed by the invited speakers and five selected contributions.
