

The Millennial Lawyer: Making the Most of Generational Differences in the Firm

The Millennial Generation, also called Generation Y--generally those born between 1980 and 2000 are the largest generation in the United States and the fastest-growing segment of workers today. The Millennial Lawyer is a dual guidebook meant for both senior lawyers on effectively using this next generation, and for the young lawyer on adjusting to law practice and life in a firm with side-by-side prescriptive sections for the Millennial lawyer and the attorney managing them. The book relies on a mix of empirical studies, case studies, personal interviews, and research to provide prescriptive advice, tips and techniques, and best practices.

After investing so much time and energy into becoming a lawyer, I needed to Inspiring the next generation of attorneys does not require every firm to . a meaningful and fulfilling career that makes a difference in the world.
