

Losing In Vegas

There are lots of cuckold stories out there. This isn't one of them. Except it is. Except it doesn't follow the traditional cuckold formula. And there are lots of stories out there where a guy loses a lot of money and his wife has to pay off the debt. But this isn't one of them. Except it is. Except it doesn't follow that traditional formula either. So what is this? This is a story about a man who lost big, and got his wife to pay off the debt. But this is the way it would probably actually happen. It's a cautionary tale, and it isn't for anyone under the age of eighteen.

Answer 1 of 97: I read a post on here recently saying mgm are losing half a billion a year. Im wondering why they lose so much money? Golden Edge: Knights Lose Game Four 6-2 Against Capitals. Las Vegas Review-Journal.
