

## Ningaloo Nights (Go Get em Women)

To find out what happened to her sister, Sherry just has to go with Mason Hayward to the ends of the earth, and give him utter control over her mind, body and soul. New York cop Sherry Abandonato cashes in her savings and dashes to Ningaloo in remote northwest Western Australia to find her sister, who disappeared ten days ago. The only one with the skill to guide her to Derremawan is Mason Hayward, once an official guide with a reputation for getting people out of trouble, but now the town's bad man. In a searing afternoon of unexpected passion, Mason strikes a bargain. He'll get her to Derremawan, if she agrees to go there with him unconditionally on his terms and his conditions. Sherry is astonished to find herself agreeing to the insane bargain, and worse, responding eagerly to the idea of three days of Mason Hayward taking charge under the hot Australian sun.
