

North Carolina Fire Law, Second Edition (Revised Printing)

North Carolina Fire Law, Second Edition (Revised Printing) targets the legal issues confronting the states firefighters, ranging from civil liability conflicts to the general statutes that provide punishments for various types of unlawful burning. Fire department activities that are discussed include investigations, inspections, apparatus operation, mutual aid, nonprofit corporate activities, finance and district organization, employment law, benefits, and hazardous materials operations. This book is designed to be used both as a textbook for students and as a quick reference guide for anyone interested in North Carolina fire protection law. The new edition includes two new, short chapters on NFPA 1403 and junior firefighters. This revised printing updates the material.
