

## Sexual Awakenings The Complete Set

YOU KNOW WHAT THEY SAY... One's mans trash is another mans treasure. I sacrificed years of my life on a cheating husband. A man that did not want me and I was done being ignored. Done being forgotten about and lied to. But I had a thirst inside me, one I ignored for years, and it was time to satisfy it. Time to get what I wanted. I gave myself one year to explore my sexuality - to delve into my deepest, darkest desires. I never expected to fall in love with the only man who calmed my world. A man who both tortured and soothed my senses. Completely drawn in by a man I wasn't supposed to fall for, reality threatened my fantasy at every turn. But nothing worth having comes easily.
