Former preacher turned viral video sensation, Jabua Fogstein, lives for the holidays; the sights, the smells, and especially the tastes. In fact, hes so excited to trying out his favorite coffee, Starbutts Christmas blend, that he camps out overnight for the introduction of their brand new red holiday cups. But when Jabua receives his coffee, he finds himself in a waking nightmare, discovering that the cups have been redesigned in sleek plain red without a trace of Christmas imagery. The shock causes Jabua to suffer a major heart attack and lands him in the hospital, but hes about to receive some visitors that will open both his heart, and his butt. Soon enough, Jabua finds himself at the center of a hardcore gangbang with these handsome gay cups, and learns a little something about holiday spirit! This erotic tale is 4,700 words of sizzling human on gay holiday cup action, including anal, double anal, blowjobs, rough sex, cream pies, gangbangs, bukkake, and beverage container love.
