

Reform School - Forbidden & Fertile Brats

I need you to stay in line, Fern, but I know you need to have fun too. You and I can have all the fun you want, Phil told me. Ferns mother decided she must attend an all-girls college to help her resist temptation while away at school. Fern, however, is more cunning than that. Soon shes sharing carnal knowledge with her roommate and at least one professor. But Fern crosses a line and soon the Dean invites the man of the house to the college to set Fern straight. But Phil is more than he seems and he knows just how to keep Fern in line. Hes going to keep Fern satisfied, as often as she needs it and always rock hard and fully unprotected, to keep Fern on the straight and narrow.
