

Providing exhaustive coverage of this continually evolving area of practice, Jackson & Powell on Professional Negligence is the most established and authoritative work on the subject. The 5th edition is divided into two parts, with comprehensive coverage of General Principles in Part 1. Part 2 covers Specific Professions chapter by chapter and includes three new chapters on Financial Services Providers, Information Technology Professionals and Patent Agents. * Contains comprehensive analysis of case law with extensive footnotes * Considers the impact of the Human Rights Act and the Civil Procedure Rules * Fully up to date and supplemented regularly * Lucid explanation from expert authors
