

# Ageless Internet: Internet BASICS for Boomers and Seniors

THE WONDROUS WORLD WIDE WEB! Ageless Internet is a simplified guide to the wondrous world wide web. Geared for Baby Boomers and Seniors, this book will benefit anyone who has stood on the cyber sidelines too long. Like ROUTE 66, the famous 2448 mile highway that ran through 8 states connecting farmers and vacationers from the 1920s through the 1950s, the Information Superhighway is just too cool to miss! Your daughter friended you on Facebook, your nephew sent a Tweet, your granddaughter wants to use a webcam to keep in touch in real time, and your sister wants to keep you in the loop via email. The 21st century seems overwhelming. Relax, the solution is within reach. YOU WILL LEARN:

- \*Which security programs will keep you safe online
- \*Terminology you need to know to have fun on the Net
- \*How to effectively and efficiently perform an Internet Search
- \*How to maximize your productivity online
- \*How to separate authentic review sites from affiliate landing pages
- \*You will learn about websites of interest to Boomers and Seniors and much, much more!

Whether for yourself or a loved one, Ageless Internet simplifies a complex world, navigating the Net so you can enjoy the Wondrous World Wide Web.
