

Marti Talbotts Highlander Series 2 (Maree, Gillie, Jessup & Glenna)

MAREE: Yule Cameron knew Maree was the one for him the moment he saw her. She was beginning to love him too, but after Kevin MacGreagors son hurt Maree, her heart went cold. The punishment for such a crime was death and if he knew, her beloved Laird would be forced to kill his own son. Could Maree effectively cover up the crime and would she ever be able to love Yule again?

GILLIE: The moment Laird Kevin MacGreagor took his last breath, the war between his sons began. But in Gillies heart a different kind of war raged -- which brother would she choose and in the end, would the brothers be forced to fight to the death?

JESSUP: Patrick MacGreagor swept Lady Jessup Russell off her feet so quickly she didnt have time to think. But their marriage was a mistake. Her world was complicated and there was no room in it for a husband or a life in the Highlands.

GLENNA: After a failed attempt to get Laird Neil MacGreagor to agree to marry Glenna, Ewing Larmont proposed a wager Neil could not possibly lose -- he bet he could find Walricks twin sister who had been missing for fifteen years. Could Ewing truly find her and if he did, would Neil end up married to a woman he had not seen and did not choose?
