Genre: Multicultural Erotic Contemporary  
Next Book: Soaked  
Gillian Foxe has set her sights on Lennon Wright, but unfortunately for him, its not in a hot, sexy way. After overhearing two women gossiping about him, Gillian decides to help him out by turning the cute introvert into a social butterfly, even if its against his wishes. Shes convinced she knows whats best for the shy man, but of course he doesnt see it that way. Everything isnt always what it seems, and no one knows that better than Lennon. Yes he keeps to himself, but its not for the reason Gillian thinks. Still, he cant help but be amused Gillian thinks hes shy. He may not be as outgoing as the sexy woman is, but that doesnt mean hes dating deficient. In fact, hes had his eye on a special woman for a while now. Unfortunately Gillian lacks the ability to see beneath his good guy persona. But if a bad boy is what she likes, Lennon has a few naughty skills up his sleeve that might help take the blinders off and prove to Gillian hes not so shy after all.
