

# Fingernail Moon: The True Story of a Mothers Flight to Protect Her Daughter

Fingernail Moon, the true story of a mother and daughters courageous journey. An inspiring story of Janie Websters daring quest to save her daughters life. When Webster discovered that her husband had sexually abused their daughter, her seemingly content life changed forever. She began divorce proceedings, but the court allowed unsupervised visits between father and daughter. Then her husband was diagnosed with AIDS. Terrified that he could further abuse and even infect their daughter, Janie Webster knew that she had to flee. Mother and daughter embarked on a five-year journey around the world. Although often discouraged, they found within their physical journey a deep spiritual meaning. With Gods guidance, they established and reestablished new lives in the countries where they stayed, finding people they could trust who provided them with friendship and assistance. Despite the threat of deportation and imprisonment hanging over them, they sensed the hand of God engineering their safe passage. From the Trade Paperback edition.

- 7 secWatch Read Fingernail Moon: The True Story of a Mothers Flight to Protect Her Daughter In January 1990, Janie Webster packed a few possessions and left San Francisco in the dark of night with her six-year-old daughter.
