

The Sweetest Mercy (Sexy Shifter Shorts Book 3)

A Sexy Shifter Short Kidnapped and locked in a dark cave, Kiera Ware has resigned herself to madness. A wood nymph in the grip of a full-moon is guaranteed to lose her mind, literally, without sexual release. And since she's been held captive and alone for three days, she knows that she could break at any moment. Carter Hayes has been tracking the rouge shifter who kidnapped an innocent woman for no other reason than to hurt his alpha, Logan. After the loss of his mate nearly a century ago, Carter has stuck to what he knows best—excelling at his job and serving his pride. Lonely, but honorable work. When Carter shows up, Kiera thinks the too-sexy-to-be-true man must be a figment of her imagination while Carter can't deny the stirrings of his heart around this strange magical woman. Running for their lives, Carter and Kiera might just find that sweet mercy they both so desperately need if they can manage to stay alive!
