

## Getting Wet: A MILF at the Door

This story is collected in my box set MILFs, Dares and Billionaires! Tommy is in college and has the requisite crappy college summer job - delivering pizzas and working with a bunch of broken down slob. So when an order comes in that no one else wants to take, Tommy gladly does, if only to escape the miserable confines of the pizza joint. To his surprise, the customer that awaits him doesn't just have pizza on her mind. She's an older woman who is feeling lonely and she's got some tricks to show Tommy that are going to spin his world in a whole new direction. **WARNING:** This 4000+ word story is intended for readers 18 years of age and older. It contains explicit sexual encounters between a college-aged kid and an older woman that include masturbation, squirting, and oral sex.
