Assisting Aimee is not technically a part of the Delta Force Heroes Series, but you will see the Deltas show up in this story and take a minor role. Aimee OBrien has harbored a not-so-little crush on her schools new first-grade teacher since the beginning of the year. Tall, muscled, with long hair and a beard, and a penchant for wearing silly ties to amuse his students the man is too gorgeous for words. As the PE teacher, Aimees wardrobe consists of casual gym clothing not likely to catch anyones eye. So no one is more surprised than her when Tony makes his interest clear. Tony Santoros time in the military directly influenced his new choice of career and his choice in women. Hes looking for someone of substance, and Aimee has far more to offer than just her adorably disheveled look. He cant wait to see whats hiding under those sweatpants and tees but he might have missed his chance. The very day he finally works up the nerve to ask Aimee out, is the day unspeakable violence explodes in the school. Trapped in the gym, Aimee and Tony will have to work together to get out with their lives and the lives of the dozens of students trapped with them. Author Note: In this story, Aimee and Tony deal with a threat thats all too real in todays society; the subject matter may be too sensitive for some readers.
