

Exiled: Brides of the Kindred 7: (Alien Scifi Romance)

This is a plus sized novel about 130,000 words long. Lissa is madly in love with Saber and it seems he returns her feelings but she has a problem. She and the man of her dreams both come from the same clan of the Touch Kindred. By the archaic laws of their people, they are too closely related to be bonded. Which means that even though there is no blood tie between them, they are doomed to remain apart. But their personal dilemmas will soon be the least of their worries. Sacred scrolls, vital to the defense of the Kindred people, have been stolen and sold to a collector on the barbaric slave planet, Yonnie Six. To retrieve them, Lissa and Saber must go undercover as Mistress and slave on the savage world where domination, submission, and kinky sex are the order of the day. Will the love between them survive this trial by fire? Or will Lissa lose everything and be Exiled from the one person she loves above all others?
