

Witch Lust (Extreme Horror Erotica) (Horrorcore Book 4)

Make me like you, I whispered. Katherine has been a witch for 300 years and the way she stays young is through stealing the life force of her lovers during sex. Travel through her erotic history and meet her lovers, mortal and immortal, and taste the intense pleasure that comes with magic-fueled sex. **WARNING:** This 6,200+ word story contains graphic language explicit descriptions of mind blowing witch sex including oral sex, public sex and an orgy with F/F/M, M/F and F/F/F combinations. Intended for MATURE AUDIENCES 18+ only! **EXCERPT:** You see, that's how we casters stay young for centuries. Sex with a mortal draws their life essence into us, and with every encounter we steal ten years. Some witches are cruel with this. They like the chase and the fear. They like their victims crying and begging for their lives, so they take their conquests by force. My maker had the same philosophy I do. We're taking years from their lives so it's only fair that we give them something back, the most pleasurable experience of their lives seems to be a fair enough trade.

Horrorcore Codex (8 Book Extreme Horror Erotica Mega Bundle) - Volume 1 2. Witch Lust 3. Taken in the Haunted House 4. Bound By Evil 5. Zombie Bait 6.
