The graphic novel adaptation of the unprecedented concept album and novel from the multi-platinum, Rock & Roll Hall of Fame music legends RUSH and NY Times Bestselling author Kevin J. Anderson! Owen Hardy, like all the people of Albion, has lived his whole life under the rule of The Watchmaker. His entire life has been planned down to the exact second. But what happens when a young boy decides that things should not always go as planned? Rush's CLOCKWORK ANGELS is a testament to the band's creative versatility; it has been successful as a concept album, novel, and international tour. Now, Rush drummer and lyricist Neil Peart and New York Times bestselling author Kevin J. Anderson are bringing the story of CLOCKWORK ANGELS to comics, where newcomer artist Nick Robles will bring the journey of Owen Hardy to visual life! Die-hard Rush fans have longed for Peart's narrative songwriting to be adapted into comic book form for decades, but fans of steampunk fantasy will enjoy journeying into the world of Albion thanks to Anderson's skilled storytelling. Collects the complete story originally published in CLOCKWORK ANGELS #1-#6.
