

## Collar Me (BDSM, Spanking, Teasing, Bondage)

Ive always been this way, from the very first time I noticed boys. I didnt just want to kiss them, I wanted them to command me to kiss them, to pull my hair and bite my neck. Ill try almost anything once. I do it for pleasure, but it rewards me in other ways. Many of the men Ive been with treat me like a pampered pet. Minus the collar of course. Tonight I was going out with one of my regular partners. His name was Alex, and he liked to tease me. ~~~Kate is a born submissive, searching for the right Master. Sexy from start to finish, this kinky 5000 word story recounts one hot night with Alex, a regular play partner who likes to tease and discipline. Featuring Domination/submission, light bondage, spanking, teasing and denial, and steamy sex. An excerpt from the story: Alex leaned forward, a teasing smile on his face. He patted my knee. Ask nicely mydear, where are your manners? And I suddenly felt the buzzing grow twice as strong. The bloody thing had higher levels of intensity..Please, I breathed, my hands gripping the edge of the table. The waitress raised one well-groomed eyebrow, and nodded, writing it down. She turned and left. You look uncomfortable, Alex said soothingly, his hand on my leg again. His body was close to mine and I felt as if I could feel warmth coming off him. I wanted to kiss him. Do you want me to stop? No. Yes. Kate? His hand crept higher along the inside of my thigh, fingers pushing up under the hem of my dress. Stop if it pleases you, Sir, I said, squeezing my knees together. I wasnt honestly sure if I wanted him to or not. He did. His fingers gave one last lingering graze over my thigh, and he let up, turning off the vibrator and letting me be. I was wet as hell, and trying to concentrate for the rest of the meal. I wasnt hungry. I wanted him to take me home and tie me up and tease me.
