

# Social Security 2006: Administration, Adjudication and the European Dimension v. 3: Legislation

This work: supplies clear guidance on using and applying current social security legislation. This volume focuses on the administration and adjudication of tribunal disputes, together with the growing European dimension of Social Security legislation. It: provides the full text of the legislation; interprets each piece of legislation with authoritative clause-by-clause commentary; presents the most up-to-date coverage of the subject - up to date to the crucial benefit date in April with a mid-year supplement in early 2007.
