

Submission Therapy (Billionaire Dominance Book 1)

Bad girl billionaire Christina Pocock is used to being on top. A hard-nosed and ruthless CEO. An obsessive, compulsive micro-manager who trusts nobody with her business. Public or private. Beneath that brittle facade, though, she's a hot mess. A tsunami of anger, anxiety and sexual addiction, with a trail of broken employees and pretty-boy gigolos stretched out behind her. Nobody even Christina herself knows just how close she is to burning out. Nobody, that is, except her therapist. Frustrated by Christina's pig-headed refusal to change her ways, Dr Jardine prescribes a radical new form of treatment. One that pushes all her buttons good and bad. A remedy that introduces her to a steely-eyed man who seems to read her every desire. Submission Therapy.
