

Taking the Heat

The queen's fiery passion challenges a captive Mrad commander's icy defenses. In a cold world balanced by the heat of Queen Ruby, it takes a special ice-cold Mrad male to be king. Sex with the queen can be intoxicating--and deadly. If she doesn't kill her lovers with her internal fire, she banishes them with an ache for her that cannot be quenched. After a failed revolt against her, Commander Cyan is her prisoner and she is planning on making him pay for his betrayal in a way that will satisfy them both. But he's stubborn and plots to turn the tables on her. If he succeeds, it may end in disaster for the planet and his Queen.
