

Fornication Volume One (Honey Dip)

My name is Portia and I am a hoe from a long line of hoes; however, unlike my family before me, I have turned pussy into a lucrative enterprise. My grandmother was an old school hooker who relied on a few regulars to supply her basic needs, and my mother was a cracked- out-trick who was killed by a junkie pimp in an alley way. I was there, five-years-old, cold, hungry and huddled near a dumpster. I watched him beat the life out of my mom for the twenty dollars shed just made. I sat there for hours until the hunger pains forced me to move. I grew up in this ass-for-cash game. Ive seen the best and survived the worst. I am the madam of an elite prostitution ring in the hood, and this is the story of how the ring was broken Honey Williams aka Honey Dip is a former junkie trick turned call girl that secretly yearns for a relationship with her daughter and a chance at a normal life. She is tired of the game but doesnt want to turn her back on the prostitutes that saved her life and welcomed her into their family when nobody else wanted to be bothered. Just when she thinks things couldnt be anymore complicated, she falls in love with a man who is young enough to be her son and declared off limits by Portia. SEX, DRUGS, LIES, AND BETRAYAL...
