

The Billionaires Desires Vol.10 (The Billionaires Desires)

Amandine thought she'd seen it all, but things have really only just begun. The young woman can only watch as insatiable Gabriel embarks upon his ultimate quest. Torn between her love and her fear of losing him forever, how will she accept his absence and their reunions, as intense as they are fleeting? How can she handle the rivalry of another woman, invisible but still so dangerous? And how will she deal with the ferocious Ferdinand de Beauregard, who's so similar - and yet so different - from her lover? Electrifying is the 10th volume of The Billionaires Desires, the new saga by Emma M. Green.

This e-book also contains volume 12 with the correct ending, which is what you should have received from the get go.
