

## The Elven Babe: Trilogy: Three Smutty Paranormal Shorts

Anjasa loves dark, hard, and passionate nights of hedonistic pleasure. Contains three stories that have her seducing a dragon, a demon, an elf, and an ogre. Stuffed: Anjasa's gotten herself in trouble again. This time, two brutes are sent after her to bring her back to their boss. She has a better idea. Take them back to her place so that she can convince them that she's far more valuable alive than dead. The seductive elven woman with her hourglass curves, and an insatiable appetite for men of all shapes and sizes, has a plan. Taking them both at one time, even if the ogre seems to be too big to fit. Dragon: When a dragonkin captures Anjasa, she couldn't be more thrilled. He was hung, and huge, and she didn't think he'd fit at all. But the elven babe has other skills in her repertoire, and she loves it when the guys are too big. The hottest and most intense worship scene leaves a mess all over her face and tongue. A dark and passionate night of fantasy and draconic love. Demon: Anjasa was on a mission, but stealing from a demon had a high price to pay. Luckily, she was overcome by his masculine perfection, and his hard punishment made her tremble. He uses her as he sees fit, and for a demon who has been deprived of contact for a millenia, he's ravenous for the sultry woman. He tries to bring her to her limits, only to find their debauched hedonism match up perfectly in a rough and dark night of pleasure.
