

The nurses liability for malpractice: A programmed course

THE NURSES LIABILITY FOR MALPRACTICE is a programmed (self-contained course) text designed to teach nurses about their legal liability for acts of malpractice. The presentation of up-to-date, authoritative information, the simple format, the inclusion of a wide variety of nursing practice situations in different settings (hospitals, home health, and long-term care facilities) make this text the most relevant, practical, and useful nursing malpractice text available.
