

Her Rogue Knight

Since her mother's death, Gemma has raised her younger sister Alys and kept her family safe until the day they are caught by surprise and Alys is taken by a band of outlaws. In desperation, Gemma's frail, elderly father pleads for aid from a reclusive knight by the name of Sir William and pledges him Gemma's hand in marriage in repayment for the safe return of her sister. When Gemma ignores her father's instructions and sets out on her own to rescue Alys, she discovers that this gruff, unkempt, and yet undeniably handsome brute is more than her match, and the lesson is brought home with a sound spanking on her bare bottom. With no time to waste taking the brave and feisty yet hopelessly naive eighteen-year-old back home, Sir William has no choice but to bring her along as he pursues her sister's captors. Though he might not admit it, however, he relishes the thought that he might have to punish her again, and with every glimpse of her delicious curves his lust intensifies. In spite of his firm chastisement and his demand for her unquestioning obedience, Gemma finds her feelings for Sir William evolving rapidly. She begins to wonder what it would feel like to be stripped bare and held tight in his strong arms, helpless and blushing, yet longing for him to claim her hard and thoroughly. Even as her desire for him grows stronger, she frets about the secrets he keeps from her. His skill in battle alone tells her that he is no mere woodsman, and the hilt of his sword bears a marking that cannot be mistaken a symbol that she believed had passed into legend. Can she trust this man with her life and that of her sister? Will he fail her in her hour of greatest need, or will her rogue knight prove himself worthy of not only her submission but her love as well?

Publishers Note: Her Rogue Knight is an erotic novel that includes spankings, anal play, graphic sexual scenes, elements of
