

The Walking Dead #11

Rick is finally getting settled into his new life. Hes got a roof over his head, and a pretty secure shelter, and hes surrounded by people who hes come to know as friends. Over all, life is good, and after the last few months hes been through he welcomes this change. But things cant stay like this forever. Something bad looms just beyond the horizon. Something really bad.

Lasting through a spectacular storm, Rick and the group meet a seemingly friendly person. A The world we knew is gone.
