Jayden waved the glass in front of Darryls face, accidentally spilling some on his shirt. Whoops! Sorry about that. Darryl laughed it off, and stood up. This is a \$60 shirt, you know. He said teasingly as he pulled it off. Jayden gasped as he saw his chest for the first time. He knew he was muscular, but he wasnt expecting a rippling 6 pack and a perfect chest. Seeing his body made Jayden want to get to know him on a physical level, and the champagne had washed away all the shyness that normally held him back. You um wow. For once Jayden was at a complete loss for words. Darryl saw the expression on Jaydens face and the way he was looking at him and felt the thrill of victory. Throwing his shirt to the side, he sat down next to Jayden on the couch and turned to face him. Their faces were inches apart and Jayden could feel his heart beating in his chest as he stared into Darryls eyes. After a brief moment he opened his mouth to speak, only to be cut off as Darryl leaned forward and kissed him passionately, grabbing him by the back of his hair gently as his mouth met his. Jayden sunk back onto the couch under his weight as they made out, Darryl positioning himself on top of him as Jayden wrapped his legs around. Soon Darryl started kissing down his neck, reaching towards his shirt and pulling it up

over his head. He felt a sudden panic, as if he shouldn't be doing what he was about to do, but the hold Darryl had on him was too strong. He let him take his shirt off, his eyes lingering on his chest for a moment before he continued kissing down his neck, over his chest and down towards his stomach. When Darryl reached his pants, he looked up at him and locked onto his eyes, as if daring him to say no with a slight smile on his face. As he grabbed both sides of his pants, he hooked his hands into Jayden's boxers at the same time. Jayden just moaned slightly and arched his hips, letting him slide the pants and boxers down his legs.
