

Made For Mischief

All she really wanted was one naughty night before returning to her life as a sheltered country spinster! Crawling beneath a bed in London's most notorious brothel was beyond the pale, even for known eccentric Arabella Spencer. Little did she imagine that lust, desire, and yes, love was just within her grasp. When Grayson St. James, Lord Mercer, newly returned from fighting Napoleon, dragged a squirming, dusty bluestocking from beneath his bed, he was...well..aghast! She wanted adventure, did she? She wanted to learn about sex, did she? He was just the man to teach her! As a vow of vengeance and a case of mistaken identity unite Grayson and Arabella in a common goal, the dour Lord Mercer finds himself laughing for the first time in longer than he can recall but will an unknown threat bring them together or tear their world apart?
