

CHEATING WIVES: BUNDLE

Book contains sexual descriptions. Happily married? Maybe? But in some women there is a tiny spark of rebellion that only takes the right kind of man to cause it to burst into flame. These women met the right man, or men, and suddenly they are changed. Willing to do anything demanded of them, things they would never dreamed of doing. They feel guilty, shocked, but they keep coming back from more, unable to quench their savage, wicked desires.
