

An Experiment with Werewolves: Part 4

Taya receives an unexpected shock when she's moved to a different part of the rehabilitation facility and introduced to her new roommate. The deeper inside the rehabilitation experience, the stranger things get. When a chance to escape the facility presents itself, will Taya's resentment of the process be enough for her to risk everything to get away? Word length: 8,508 words (approximately 28 pages long) a novelette
