

Slave Rescue

Chris is a young submissive in his twenties that ended up in the wrong hands with a sadistic Domme, who seems out of control and bent on torture. Mistress Tina, a friend of Chris who has known him before he ended up with Mistress Adriana sets out to save him and to bring him home. Can Chris be saved or is he too damaged? This is a contemporary femdom story of the dark side of bdsm and is also about the love that can flourish under the right Dominant with a gentle and caring hand. A roller coaster ride of emotions and thrills of the naughty variety that is sure to delight and awe you. If you are a lover of FLR, female led relationships and want to see a true connection in a Ds context, then this is the ebook for you.

The Jerry Rescue occurred on October 1, 1851, and involved the public rescue of a fugitive slave who had been arrested the same day in Syracuse, New York.
