From under his gown, he pulled a bull whip, unfurling it to its full length, ten feet across the floor. Do not read this book if you have a weak stomach. Intended for 18+ readers **ONLY!** **EXCERPT:** She bit down hard on the cock and it reacted by filling her mouth more, growing larger the more pain she gave it. She rubbed it gently with her lips and then bit again, rolling it back to her molars to give it a good chomp. It grew again and quivered. The next whip on the mans back filled Glorys mouth with cum, spurting forth as she nibbled him. The load was huge, filling her mouth and running down her chin. She grabbed a jar and spat it inside as he pulled himself out of the box. Glory assumed these men hadnt blown a load for a long time considering how fast he popped and how much splooge he filled her mouth with. It was also very strong tasting and musky smelling, filling her box with man smell and sex. The next floppy dick came through the hole and stiffened slightly as the whip cracked close by. Glory slapped his dick hard, slamming it against the side of the box. The man stood his ground and his member grew from the abuse. Glory wondered how much abuse these men could actually take. She grabbed a hold of the dick and pulled. It hardened a little more. Another slap against the wall and it sprayed its load all over her big, round tits. At this rate, she figured that she might fill up the whole jar. She scraped

the jizz off her tits and dripped it into the jar. It mingled and mixed with the load already there as she swirled it around.
